7.8. BIDDER'S PROPOSAL OUTLINE

(Kindly note that, for the purpose of technical evaluation of, the Proposal should be in strict compliance to the format given below – with all the documents duly attached to the respective sections. Incomplete proposals may be rejected summarily)

1. GENERAL

- 1.1 The bidder shall submit a proposal containing, as a minimum, information described in this section. The bidder's proposal should be organized into tabbed and indexed volumes.
- 1.2 The bidder should note that all the volumes of proposal shall be properly bound in A4 (210 mm x 297 mm) size. All drawings and sketches shall be in multiples of A4 size, like A3 (297 mm x 420 mm) or A2 (420 mm x 594 mm) etc., but folded to A4 size. Incomplete proposals and proposals not conforming to this specification are likely to be rejected.
- 1.3 The bidder must prepare their proposal as per the sections indicated. Each section shall contain the information as asked specifically. The proposal not prepared in the described format shall be considered incomplete.

2. PROPOSAL CONTENTS

The proposal shall comprise of the following sections:

SECTION I- Synopsis of the Proposal

SECTION II- Bidder's Capability

This section shall be used by the bidders to establish their credentials and capability in the field of Integrated Video Surveillance Systems. The details shall be forwarded as under:

- Introduction
- Company profile
- Bidder's experience (in PTR formats)
- System engineering capability
- OEM list (for all bought-out items)
- Bidder's Organization chart
- Miscellaneous

SECTION III- Project Execution

This section shall be used by the bidder to provide details about execution of the project IVSS. The details shall be forwarded as:

- Proposed project management
- Man-power Deployment Chart
- Bio-data of Key persons
- Estimated engineering and delivery schedule including bar chart.
- Methodology of execution

- Bidder's responsibility chart
- Overall system responsibility
- Source of supplies
- OEM's Responsibility Chart (To be filled separately for each bought-out item.)
- OEM's Manpower deployment chart (To be filled separately for each bought-out item.)
- Logistic Support Certificate (To be submitted separately for own items & each bought-out item.)

SECTION IV- System Description/ Operation

This section shall include the following details separately for each sub-system within IVSSi.e. IP Video Surveillance, PIDS, Access Control, VTS etc.

- i) System proven-ness (Completely filled PTR format for the offered system. To be submitted separately for each major bought-out system item Camera, VMS / SMS, UPS, Cable, Server, PIDS, VTS etc.)
- ii) A drawing showing the offered system architecture and all subsystems offered by the bidder.
- iii) A single line diagram showing the architecture and connectivity of the entire system including all the sub-systems.
- iv) Detailed functional description for each system item explaining how the system meets each of the functional requirements specified in the requisition.
- v) Bidder shall explain as to how the proposed system meets all the functional requirements specified in the requisition.
- vi) Bidder to explain redundancy levels and methodology of change-over at each level i.e. server level, and network level
- vii) Bidder to explain availability of Diagnostics at various levels with the system.
- viii) Bidder to explain data storage and retrieval capability of the system.
- ix) Bidder to provide detailed explanation as to how they propose to meet the 25% future expansion requirements with respect to hardware and software

SECTION V- Technical Specifications

This section shall include the following details separately for cameras, VMS, SMS, VTS, ACS, GPON, servers, storage etc.

- i) Bidder shall complete all the data sheets supplied as per project specification filling up all the information required to be filled by Bidder (denoted by * or **).

Bidder shall include printed literature to support the data filled. In addition, Bidder shall clearly explain as to how each subsystem fits into the functional requirements specified in the requisition.

- ii) Bidder to furnish the following documents

- a) Sizing calculation for servers, bandwidth, storage and any other system / sub-system which requires
- b) Bidder shall furnish an unpriced Bill of Materials listing out all items that are required for the proposed Project as per Tender documents along with the relevant make/s & models envisaged.
- iii) Bidder shall include any other information not mentioned in the data sheets but important or required to be furnished to support and explain the functional requirements for the system. The additional information shall be provided on separate sheets and shall be attached to appropriate data sheet.
- iv) Bidder shall include the detailed description and capabilities of all the software offered.
- v) Bidder shall include separate lists for mandatory spares, recommended spares for four (4) years normal operation, test equipment and tools, and consumables.

SECTION VI- Deviations

Bidder shall list out deviations, if any.

The list shall indicate Document name, Document no., Page no., Clause no., Requirement, Deviation asked, Technical reason for Deviation, Remarks, if any.

Bidder should not give any explanation or comment on the specification.

SECTION VII- Quality Assurance, Factory Testing and Field Acceptance

- i) Bidder shall enclose "Bidder Standard" procedures including the test facilities available with them to perform the following:
 - Factory Acceptance
 - Field Testing
 - Quality Assurance
 - Field Acceptance
- ii) Bidder shall enclose the details of simulation method of all process inputs.
- iii) Bidder shall also enclose the detailed schedule for factory testing, installation, loop checking, field testing, commissioning and field acceptance of the system.

SECTION VIII- Post Warranty Maintenance Contract

Post Warranty Maintenance Contract details for four years post Warranty period, as per Tender. Bidder to note that Post Warranty Maintenance Contract for the four years shall be evaluated and considered for cost evaluation.

Bidder must confirm the requirements specified in this Tender.

SECTION IX- Testing and Maintenance

Training course contents for:

- Operating personnel
- Hardware and Software engineers (Module level and component level maintenance training)
- Hardware and software Configuration & maintenance
- Schedule of training at Bidder works and at the user's site should be enclosed.

SECTION X

- All Annexures

Please note that there should be no pricing information mentioned anywhere within the technical proposal, including the data sheets. Any mention or indication of the system or component pricing within any section of the technical proposal shall render the technical proposal liable for rejection.

7.9. BANK GUARANTEE FORMATS

BG 1: FORM OF BANK GUARANTEE IN LIEU OF EARNEST MONEY DEPOSIT

BG NO	
DATED	
VALID UPTO	

To

M/s. Madhya Pradesh High Court,

Jabalpur

In consideration of Madhya Pradesh High Court, (hereinafter called “the Owner” which expression shall include its successors and assigns), having agreed inter alia to consider the tender of (Name of the Tenderer) having its Head Office / Registered Office at.....(Address of the Tenderer) (hereinafter called the “Tenderer” which expression shall include its successors and assigns),

for the work of..... (Name of the Project / Work) at..... to be awarded under Tender No..... Upon the Tenderer furnishing an undertaking from the Bank as hereinafter appearing in lieu of cash deposit of the Earnest Money.

We(Name of the Bank), a Bank Constituted / Registered under the Act, having our Head Office / Registered Office at..... (hereinafter called the “Bank” which expression shall include its successors and assigns), at the request of the Tenderer and with the intent to bind the Bank and its successors and assigns do hereby unconditionally and irrevocably undertake to pay the Owner at Jabalpur forthwith on first demand without protest or demur or proof or satisfaction or condition and without reference to the Tenderer, all sums payable by the Tenderer as and by way of Earnest Money to the Owner, upto an aggregate limit of (Amount in figures and words). AND THE BANK DOTH HEREBY FURTHER AGREES AS FOLLOWS:

1. This Guarantee/Undertaking shall be a continuing guarantee and shall remain in full force and effect for all claims or demands made by the Owner on the Bank until the Owner discharges this Guarantee/Undertaking subject, however, that the Owner shall have no claims under this Guarantee/Undertaking after the midnight of200..... or any written extension(s) thereof.

PROVIDED that if the aforesaid work tendered for or any part thereof shall be awarded to the Tenderer on or before the said date, whether on the basis of accompanying tender or any other basis, then the validity of this guarantee/undertaking shall stand automatically extended for all claims and demands made by the Owner for a further three months.

2. The Owner shall have the fullest liberty without reference to the Bank and without affecting in any way the liability of the Bank under this Guarantee/Undertaking at any time and/or from time to time any wise to postpone and/or vary any of the powers, rights, and obligations exercisable by the Owner against the Tenderer and either to enforce or to forbear from enforcing all or any of the terms and conditions of or governing the said Tender and/or any contract consequent upon any award of work or the said Earnest Money Deposit or the securities available to the Owner or any of them and the Bank shall not be released from its liability under these Presents and the Liability of the Bank hereunder shall remain in full force and effect notwithstanding any exercise by the Owner of the liberty with reference to any or all the matters aforesaid or by reason of any other act, matter or thing whatsoever

which under law relating to the sureties or otherwise which could, but for this provision have the effect of releasing the Bank from all or any of its obligations hereunder or any part thereof, and the Bank specifically waives any and all contrary rights whatsoever.

3. It shall not be necessary for the Owner to proceed against the Tenderer before proceeding against the Bank and the Guarantee/Undertaking herein contained shall be enforceable against the Bank as principal debtor notwithstanding the existence of any other undertaking or security for any indebtedness of the Tenderer to the Owner and notwithstanding that any such security shall at the time when claim is made against the Bank or proceedings taken against the Bank hereunder, be outstanding or unrealised.

4. The amount stated by the Owner in any demand, claim or notice made with reference to this guarantee shall as between the Bank and the Owner for the purpose of these Presents be conclusive of the amount payable by the Bank to the Owner hereunder. Original BG need not be submitted for making claim hereunder and payment thereof by the Bank.

5. The liability of the Bank to the Owner under this Guarantee/Undertaking shall remain in full force and effect notwithstanding the existence of any difference or dispute between the Tenderer and the Owner, the Tenderer and the Bank and/or the Bank and the Owner or otherwise howsoever touching these Presents or the liability of the Tenderer to the Owner, and notwithstanding the existence of any instructions or purported instructions by the Tenderer or any other person to the Bank not to pay or for any cause withhold or defer payment to the Owner under these Presents, with the intent that notwithstanding the existing of such difference, dispute or instructions, the Bank shall be and remain liable to make payment to the Owner in terms thereof.

6. This Guarantee/Undertaking shall not be determined or affected by the liquidation or winding up or dissolution or change of constitution or insolvency of the Tenderer or any change in the legal constitution of the Bank or the Owner.

7. Without prejudice to any other mode of service, a demand or claim or other communication may be transmitted by the Owner to the Bank or any branch of Bank either by post or by fax. If transmitted by fax, the transmission shall be complete as soon as acknowledged by the Bank or any branch of Bank.

8. Notwithstanding anything contained herein:

(i) The Bank's liability under this guarantee/undertaking shall not exceed (Amount in figures & words);

(ii) The guarantee/undertaking shall remain in force upto____and any extension(s) thereof and extension as a result of proviso to clause 1 hereof; and

(iii) The Bank shall be released and discharged from all liability under this guarantee/undertaking unless a written claim or demand is issued to the Bank on or before or the date of expiry of any extension(s) thereof if this guarantee/undertaking has been extended.

The Bank doth hereby declare that Shri (designation) who is authorized to sign this Guarantee/Undertaking on behalf of the Bank and to bind the Bank thereby.

7.10. BG-2 - PROFORMA OF BANK GUARANTEE FOR SECURITY DEPOSIT/PERFORMANCE BOND

(To be executed ON NON-JUDICIAL STAMP PAPER OF APPROPRIATE VALUE)

BG NO.:	
DATED:	
VALID UPTO:	

Ref: _____

To:

M/s. Madhya Pradesh High Court

Jabalpur

Dear Sir,

1. In consideration of Madhya Pradesh High Court, having its Registered Office at..... (hereinafter referred to as the "Company" which expression shall unless repugnant to the context or meaning thereof, include all its successors, administrators, executors) and having entered into a contract dated (hereinafter called the "Contract" which expression shall include all the amendments thereto) with M/s..... having its Head/Registered Office at..... (hereinafter referred to as the "Contractor" (which expression unless repugnant to the context or meaning thereof, shall include all its successors, administrators, executors and assigns) and the contract having been unequivocally accepted by the Contractor resulting in a contract bearing No..... dated..... Valued at for..... (scope of work) and the Company having agreed that the Contractor shall furnish to the Company a performance guarantee for the faithful performance of the entire contract to the extent of % of the contract price, i.e. Rs.....(in word) we(bank) having its Registered Office at..... (hereinafter referred to as the "Bank" which expression shall unless repugnant to the context or meaning thereof, include all its successors, administrators, executors and assigns) do hereby guarantee and undertake to pay on demand to the Company any money or all moneys to the extent of Rs..... (Rupees.....) in aggregate at any time without any demur, reservation, recourse, contest or protest and/or without any reference to the Contractor. Any such demand made, by the Company on the Bank shall be conclusive and binding notwithstanding any difference between the Company and the Contractor or any dispute pending before any Court, Tribunal, Arbitrator or any other authority. We agree that Guarantee herein contained shall be irrevocable and shall continue to be enforceable till it is discharged by the Company in writing.

2. The Company shall have the fullest liberty, without affecting in any way the liability of the Bank under this Guarantee from time to time, to extend the time for performance of the contract by the Contractor, or vary the terms of the Contract. The Company shall have the fullest liberty without affecting this Guarantee to postpone, from time to time, the exercise of power vested in them or of any right which they might have against the Contractor and to exercise the same at any time in any manner and either to enforce, or to forbear from enforce, any covenants contained or implied in the contract between the Company and the Contractor or any other course or remedy or security available to the Company. The Bank shall not be released of its obligations under these presents by any exercise by the Company of its

liberty with reference to matters aforesaid or any of them or by reason of any other act or forbearance of other act or forbearance of other acts of Company or any other indulgence shown by the Company or by any other matter or thing whatsoever, which under law would, but for this provision, have the effect of relieving the Bank.

3. The Bank also agrees that the Company at its option shall be entitled to enforce this Guarantee against the Bank as a principal debtor, in the first instance, without proceeding against the Contractor and notwithstanding any security or other guarantee that Company may have in relation to the Contractor's liabilities.

4. The Bank further agrees that the guarantee herein contained shall remain in full force during the period that is taken for the performance of the contract and it shall continue to be enforceable till all the dues of the Company under or by virtue of this contract have been fully paid and claim satisfied or discharged or till the Company discharges the Guarantee in writing.

5. We further agree that as between us and Company for the purpose of this Guarantee any notice given to us by the Company and any amount claimed in such notice by the Company that the money is payable by the Contractor and any amount claimed in such notice by the company shall be conclusive and binding on us notwithstanding any difference between the Company and the Contractor or any dispute pending before any Court, Tribunal, Arbitrator or any other authority. We further agree that this Guarantee shall not be affected by any change in our Constitution or that of the Contractor or in the Constitution of the Company. We also undertake not to revoke this Guarantee during its currency or till the Company discharges the Guarantee in writing.

6. Notwithstanding anything contained hereinabove, our liability under this Guarantee is limited to Rs..... (Rupees.....) in aggregate and it shall remain in full force upto and including ninety days after

..... unless extended further, from time to time, for such period as may be instructed in writing by M/s..... on whose behalf this Guarantee has been given, in which case it shall remain in full force upto and including 90 days after extended date. Any claim under this Guarantee must be received by us before the expiry of the 90 days from or before the expiry of the 90 days from the extended date. If no such claim has been received by us within the ninety days after the said date/extended date, the Company's right under this guarantee will cease. However, if such a claim has been received by us within and upto ninety days after the said date/extended date, all the Company's rights under this Guarantee shall be valid and shall not cease until we have satisfied that claim

MPHC

Dear Sir,

With regards to the Tender No. _____ for the MPHCIVSS tender, we would like to declare the following:

1. Our company has supplied & installed a minimum of 2000 IP cameras in a single project in India since the last five years ending last day of the month previous to the one in which tender is invited. The details of the project are as follows:

Name of Customer	
Name of implementation partner	
Year of Installation	
Number of Cameras	
Types of Cameras	

2. Our company has supplied cameras in projects such as places of high security such as seaports, airports, defense infrastructure, city surveillance projects. The following table highlights the same:

Sector	Customer Name	Name of Implementation Partner	Year of Installation	Number of Cameras

3. Our company is operating in India for the last more than three years & has an installation base of more than 10,000 cameras in India.
4. Our office details are as follows:

Type of Office	Address	Contact Person	Telephone Number
Corporate Office / Sales Office			
Spares Depot / Distribution			
Technical Service and Support			

5. We have a direct emergency response team to attend any emergency conditions (like device malfunction or for changes in device functionalities or for firmware upgrade & troubleshooting). The call center number is _____. The person in charge of the emergency response team is _____.

MPHC

Dear Sir,

1. Our company is a reputed manufacturer of *(name & description of equipment)*, having manufacturing facilities at *(address of manufacturing locations)* and Indian/APAC head office at *(address)*.
2. We hereby authorize M/s *(name and address of the bidder)* to submit the bid and sign the contract with your good self for the goods manufactured by us.
3. We are aware of the model numbers of our products quoted for this tender “Integrated Video Surveillance System (IVSS) project” and assure you that these are meeting the specifications provided & also assure you that these products are not end-of-life products. These model numbers are *(product name & model numbers)*. We also assure you that these models shall continue to be supported by us for a period of 10 years.
4. We are willing to provide a warranty of 1 year on the above mentioned model numbers from the date of final commissioning & handover by M/s *(name and address of the bidder)*.
5. We assure you the availability of spare parts for the above mentioned model numbers for a period of 10 years, from the date of supply. We further assure you that the products being supplied by us for this tender are ONVIF compliant.
6. During the period of 10 years from the date of supply, in case the bidder fails to provide you the necessary service, we will be obliged to provide the same, at no extra cost.
7. In case of placement of order by M/s. MPHC on M/s. *(name and address of the bidder)*, we shall provide relevant Test Reports & compliance to specifications at the time of pre-dispatch inspection.

Yours faithfully,
(Contact Person)
(Designation)
(Name of manufacturers)

Note: This letter of authority should be on the letterhead of the manufacturer with full address, phone number, email, and website address, and should be signed by a person competent and having the power of attorney to legally bind the manufacturer.

7.15. BIDDERS UNDERTAKING

On behalf of M/s..... (Name of the Bidder), I, the undersigned, state that all the information stated above as well as in other parts of our bid is true. I do hereby affirm and undertake to abide by all the terms, conditions and specifications given in the Bid Document while performing the contractual obligations relating to the MPHC-IVSS project.

Also, I do affirm & assure that the solution proposed by us is complete & total meeting all the functional requirements of Integrated Video Surveillance System (IVSS) project as stated in the Bid Document.

Yours faithfully,

7.17. SOLUTION ASSURANCE CERTIFICATE

(From Command & Control Application (C4i Software), VMS, VAS & ANPR OEMs - To be printed on OEM Company Letterhead)

To,

MPHC

Ref.: Tender No. No.: _____

Sub: Certificate for workability of the Solution.

Dear Sir,

In response to your above-referenced tender, M/s _____ (*name and address of the bidder*) have proposed our Software Product _____ (Please mention the Product Name, Model, Version & Revision) for your Integrated Video Surveillance System (IVSS) Project. After carefully examining your techno-commercial requirement, we hereby certify that the solution (architectural schematic attached separately as Appendix...), containing following components, proposed by the bidder is supported by & is fully compliant with our software Product mentioned above & that the solution is workable. The maximum number of components supported by the quoted version/model of our software product is also mentioned in the table below:

Sr.No.	Component Name	Make & Model	Max. No. Supported by the quoted version	Specifications
1.	Fixed Camera			
2.	PTZ Camera			
3.	Security Management Software (C4i)			
4.	VMS Software			
5.	VAS software			
6.	Server (Refer Note-1 below)			All hardware specs to be indicated here along with OS details.
7.	ACS System			
8.	DFMD			
9.	NMS			

The central hardware / software products quoted by our Partner-bidder, listed above, meet/exceed the minimum specifications required to host & run the quoted version/model of

our software product so as to meet MPHC's prescribed objectives/ functional requirements & response times to the complete satisfaction of MPHC.

Note-1: details to be separately indicated for Recording Server, Analytics Server (if applicable), Video Storage System, Workstations, Decoders, as a,b,c,d, etc

Note-2: details to be separately indicated for Control Room mounted controllers & field mounted controllers as a, b, c, etc along with any distance limitations applicable.

I, ON BEHALF OF M/s _____ CONFIRM THAT THE PROPOSAL OF THE INTEGRATED Video Surveillance SYSTEM FOR IVSS PROJECT, MPHC (INDIA) MEETS ALL THE SPECIFICATIONS AND REQUIREMENTS ENCLOSED WITH THIS Tender EXCEPT FOR THE DEVIATIONS SPECIALLY BROUGHT OUT IN THE 'LIST OF DEVIATIONS' IN ANNEXURE 9.18

7.26. LIST OF DEVIATIONS

SR. NO	COMPONENT NAME	SPECIFICATION MENTIONED IN TENDER DOCUMENT	DEVIATION

7.27. TECHNICAL COMPLIANCE

Following queries are to be categorically answered, Signed, Stamped and included with the Bid by the Bidder

S.N.	COMPLIANCE STATEMENT / QUERY	BIDDER'S CONFIRMATION (ANSWER (YES/ NO))
1	Please confirm that categorical compliances against each clause of all the bid documents shall be furnished along with the deviation, if any against the applicable specifications and codes / Standards shall be duly consolidated at one place (under Exceptions/deviations list). In case no deviation is furnished, it will be presumed that all requirements are fully met and complied with, by the bidder. Any deviations/ deletions/ corrections made by the bidder elsewhere will not be taken cognizance of and all such deviations shall deem to have been withdrawn by the bidder.	
2	Bidder is informed that the detailed offers from the OEMs for items required for IVSS need not be furnished in the Bidder's proposal at this stage. If any such details are furnished by the Bidder in their proposal, these shall not be reviewed or taken cognizance of at this stage. These details shall be treated as preliminary and for information and reference purpose only and shall not be contractually binding.	
3	Confirm categorical compliance to the scope of work mentioned in the tender documents, various technical specification drawing and documents in the bid package and all other equipment, materials and work not explicitly mentioned but never the less required to fulfill the functional requirements which shall be deemed to be the scope of bidder with no additional cost and time implication to the OWNER.	
4	Confirm that Erection & Commissioning Spares and consumables as required for IVSS equipments have been included by the bidder in his proposal. Further in case any spare is required over and above the commissioning spares during Startup / commissioning, the same shall be supplied at free of cost without affecting the project schedules.	
4 b.	Confirm that incase the installed spare is consumed, the same shall be replenished free of cost.	
5	Confirm that all the items required for IVSS, its accessories etc. supplied shall be from one of the approved makes given in the APPROVED SUB-VENDOR / OEM LIST attached with bid package.	
6	Confirm compliance to Drawings/ Documents in the tender to be prepared by IVSS supplier as indicated elsewhere	
7	Confirm compliance to warranty clause and AMC requirements as indicated elsewhere in the tender.	
8	Confirm compliance to Mandatory Spare Parts and any other spares requirement indicated elsewhere in the tender.	

8. SECTION VII - Certificates
